

# Johnson County Livable Community

JCLC partners with businesses, organizations, professionals and volunteers to address and facilitate personal independence and active civic and social engagement for Johnson County senior residents.

## Housing Action Team Update

by Tracey Achenbach, Chair of JCLC Housing Action Team

The Johnson County Livable Community Housing Action Team has been busy! In cooperation with the Iowa City Area Association of Realtors and the Iowa City Area Homebuilders Association, the team has developed an Aging in Place Checklist to help potential home buyers and remodelers identify items and updates that would allow seniors to remain in their homes as they age. The checklist is ready for your use, and available on the JCLC website at [www.livablecommunity.org/Content/Information/Housing.aspx](http://www.livablecommunity.org/Content/Information/Housing.aspx).

In addition to the Aging in Place Checklist, the team has also been working on a video that addresses the same topics. The video is scheduled for its big reveal during the May 2<sup>nd</sup> Living In Place Initiative kick-off luncheon.

*The "Aging in Place Initiative," on Wednesday, May 2<sup>nd</sup>, is the first in a series of monthly luncheons offering information to help foster and sustain a livable community for successful aging. Plan to attend all six sessions!*
